DENNIS MUSEMBI

DevOps

Nairobi, Kenya

kisuvilu@gmail.com - +254704970993 -Linkedin – Github – Website

PROFESSIONAL SUMMARY

Highly motivated individual with a solid foundation in programming and a strong desire to embark on a career in DevOps. Proficient in automation tools like Jenkins and Docker, I am eager to contribute to optimizing software development processes. My proactive approach, combined with a commitment to continous learning, positions me as a valuable asset for enhancing deployment pipelines and ensuring efficient software delivery in an entry-level DevOps role.

SKILLS

AWS | Networking | Python | Windows | Linux | Bash | Kubernetes | Docker | MySQL | Office 365

CERTIFICATIONS

- ◆ AWS Certifications : Aws Cloud Practitioner , Aws Solution Architect
- ◆ Udacity: Cloud Developer Nanodegree
- ◆ Udemy: DevOps

EXPERIENCE

Cloud Developer Nanodegree, Udacity   **July,2022-October,2022**

- ◆ Hosted a static a website with AWS S3 and cloudfront.
- ◆ Developed a cloud-based application for uploading, listing, and filtering images.
- ◆ I build out a CI/CD process that automatically builds and deploys Docker images to a Kubernetes cluster. The Kubernetes cluster will be configured to help solve common challenges related to scale and security.

AWS Solution Architect, Azubi Africa(Accra, Ghana)   **January, 2022 – May, 2022**

- ◆ Kept cloud environments secured and prevented downtime or security breaches.
- ◆ Responsible for building, testing, deploying and maintaining Web applications.
- ◆ Collaborated with a team of 3 to provision EC2 instances in 2 AZs using infrastructure as code tool Terraform.

EDUCATION

The Open University of Kenya   **November, 2023 -To Date**

Bachelor of Science in Cyber Security and Digital Forensics

Coast Institute Of Technology   **September, 2016 – November, 2018**

Diploma in Computer Studies(Science), (KNEC)
